

JUNIOR LEAGUE OF
KANSAS CITY, MISSOURI

**Dr. Tiffany Gladdis, Associate Professor
University of Missouri-Kansas City**

Dr. Tiffany Gladdis is an Associate Professor at the University of Missouri-Kansas City and serves as the Perinatal/Neonatal Psychologist at Children’s Mercy Hospital Kansas City supporting families in the Fetal Health Center, the Neonatal Intensive Care Unit, and the Neonatal follow-up clinic. Dr. Gladdis is also the Medical Director for the Office of Equity and Diversity at Children’s Mercy. Dr. Gladdis’ clinical interests include attachment and bonding, trauma, infant and perinatal mental health, and empowering families who identify as Black, Indigenous, or Persons of Color (BIPOC). Dr. Gladdis’ research interests include the impact of psychosocial support for parents on the well-being of their baby and the power of attachment on the developing infant brain. Dr. Gladdis is on the board of directors and a founding member of the Missouri Association for Infant Mental Health and Early Childhood (MOAIMH-EC), on the executive committee for the National Network of NICU Psychologists (NNNP), and an executive board member for Hand To Hold.
