

Julie Lorenz

Principal Consultant, 1898 & Co.

After leading the Kansas Department of Transportation for four years, Julie joined 1898 & Co., the business and technology consulting arm of Burns & McDonnell, as a principal consultant. With 25+ years of experience, she's known as a national leader in policy development, collaboration and implementing vision initiatives.

Appointed as Secretary of KDOT and Director of the Kansas Turnpike Authority in January 2019, she launched the Kansas Infrastructure Hub in support of IJJA and spearheaded the development and passage of the \$10 billion Eisenhower Legacy Transportation Program.

Julie currently serves as senior transport advisor to KC2026, the organizing committee for hosting the 2026 World Cup games in Kansas City.
