KANSAS CITY, MISSOURI

Theresa Reyes-Cummings, MPA, GPC
Deputy Director, The Community Mental Health Fund

Theresa Reyes-Cummings's career spans over 35 years of experience and expertise in the fields of non-profit and public administration, mental health and criminal justice administration, community development and government relations. As a public funder for mental health care in Jackson County, Missouri, she has led the implementation of a Value-based Payment structure for behavioral health care. She was also instrumental in addressing mental health disparities and enhancing diversity, equity, and inclusion efforts among mental health agencies serving non-insured populations.
